

GET ACCESS TO THE SKILLS AND SUPPORT YOU NEED **FOR FREE!**

Any help from volunteers is always welcome, but often you need more than just a willing pair of hands. Finding specialised volunteers that understand the needs of your charity can help you develop your organisation and achieve your goals.

The Small Charities Coalition exists to support small charities by providing access to the skills, experience and resources they need to achieve their aims. Like a voluntary sector matchmaking service, we match small charities with other organisations and individuals, providing a platform to exchange the skills and resources they have, with the ones they don't.

All you have to do to benefit from these great resources is to become a Friend of the Small Charities Coalition.
